Η έγκριση της μεταπτυχιακής διατριβής από το Τμήμα Καλών Τεχνών του Τεχνολογικού Πανεπιστημίου Κύπρου δεν υποδηλώνει απαραίτητως και αποδοχή των απόψεων του συγγραφέα εκ μέρους του Τμήματος.

The approval of the postgraduate thesis by the Department of Fine Arts of the Cyprus University of Technology does not imply acceptance of the author's views by the Department.

I would like to thank Mr. Argianas, Mrs. Kyprianidou, Mrs. Martini and, of course, to my supervisor, Mr. Antonis Danos, for your invaluable guidance, inspiration into the world of art throughout the process of crafting this dissertation. Thank you for your dedication and professionalism, which have helped me navigate challenges and uncover new horizons in the realm of art.

## ΠΕΡΙΛΗΨΗ

Η συνάφεια της μελέτης της επιρροής της ουκρανικής εθνότητας στον ρωσικό φουτουρισμό είναι ένας άγνωστος, αλλά ταυτόχρονα συναρπαστικός τρόπος αποκάλυψης και κατανόησης της αλληλεπίδρασης πολιτιστικών επιρροών στο πλαίσιο της δημιουργικής διαδικασίας. Η σύγχρονη επιστημονική κοινότητα ενδιαφέρεται όλο και περισσότερο να αναλύσει την αλληλεπίδραση των εθνικών εθνοτικών ομάδων και την επιρροή τους στον καλλιτεχνικό χώρο. Ειδικότερα, ο ρωσικός φουτουρισμός, ως σημαντική περίοδος στην ανάπτυξη της λογοτεχνικής και εικαστικής τέχνης, αντιπροσωπεύει ένα μοναδικό αντικείμενο μελέτης, ειδικά στο πλαίσιο της αλληλεπίδρασης με την ουκρανική εθνότητα. Στο πλαίσιο του ρωσικού φουτουρισμού, που ορίζεται από την πρωτοτυπία του, υπάρχει ανάγκη να μελετηθεί η επίδραση του ουκρανικού πολιτισμού στη διαμόρφωση των μοναδικών χαρακτηριστικών του. Σκοπός της μελέτης είναι να εντοπίσει και να αναλύσει τις ιδιαιτερότητες της επιρροής της ουκρανικής εθνότητας στον λεγόμενο Ρωσικό Φουτουρισμό.

**Λέξεις κλειδιά:** ουκρανική παράδοση, εθνοτική κουλτούρα, Ρωσικός Φουτουρισμός

## ABSTRACT

The relevance of the study of the influence of the Ukrainian ethnic group on Russian Futurism is an unknown, but at the same time exciting way to reveal and understand the interaction of cultural influences in the context of the creative process. The modern scientific community is increasingly interested in analyzing the interaction of national ethnic groups and their influence on the artistic space. In particular, Russian Futurism, as an important period in the development of literary and visual art, represents a unique object for study, especially in the context of interaction with the Ukrainian ethnic group. In the context of Russian Futurism, defined by its originality, there is a need to study the influence of Ukrainian culture on the formation of its unique features and characteristics. The purpose of the study is to identify and analyze the peculiarities of the influence of the Ukrainian ethnic group on the so-called Russian Futurism.

**Key words:** Ukrainian tradition, ethnic culture, Russian Futurism
