AGE EQUALITY
THE NATIONAL ALLIANCE TO END AGE DISCRIMINATION

Age: It's how you look at it

There's more to the age label than just a number. It's a collection of experiences, skills, and perspectives that shape who we are. It's not just a number. It's a story.

Age is not a barrier. It's a bridge. It connects us to our past, our present, and our future. It's a source of wisdom, resilience, and strength. It's a reminder that we are all part of the same human journey.

AGE EQUALITY

For more information, visit www.ageequality.org or call 1-800-AGE-1000.

AGE EQUALITY

I am not a number.

63

I am not a number.

1/2 Americans hold negative or highly aged attitudes.

CHANGE THE STATISTICS. | AGE EQUALITY IS A HUMAN RIGHT. | **NO AGISM**

Boomers are _____ | **Millennials are _____**

Come full circle. Come full circle.

HUMAN.100 | **HUMAN.100**
